Job Description

Key responsibilities may involve:

- Working within the Corporate Affairs team, you will provide support for the internal communications team that includes projects with Human Resources, Diversity and Inclusion, Corporate Responsibility and other business groups.
- Assist with the development of communications plans for various internal initiatives.
- Working with the team on the new HuskyNet intranet rebuild project.
- Working with the intranet editor in creating weekly story content followed by writing a variety of articles in a timely manner.
- Providing support to business unit communication advisors in organizing town halls and various department communications and coordinating special projects.

Benefits of a Husky Student Position:

Opportunities to:

- Take part in impactful business projects
- Network with experienced professionals
- Engage in a strong student network
- Gain valuable exposure in the Oil and Gas industry
- Relevant experience in your field of study
- Relocation assistance
- Competitive wages

Relocation:

Students moving for their work term may be eligible to receive a lumpsum payment to assist with relocation expenses.

Additional Information:

New graduates are not eligible for student opportunities. Please note that only those selected for an interview will be contacted.

At Husky, we respect diversity and embrace an inclusive culture. We value uniqueness and different perspectives as they play a critical role in our success. To achieve this, individuals are selected based on qualifications, merit, and abilities and we encourage applications from everyone including visible minorities, Aboriginal people, women, and persons with disabilities.

About Husky:

One of Husky's advantages is that we are an integrated oil and gas company. From exploration to development, production, refining and marketing, we've got it all! Combine this with a range of learning and development tools and an inclusive work environment, and you are well-positioned for a successful career at Husky.

We have training, mentoring and career development programs and resources to help you develop both personally and professionally – as an employee or a leader. We offer many internal leadership and business skills courses along with tuition reimbursement programs for qualified employees. Every year, a significant number of our employees are able to take on new roles within the company thanks to our strong focus on hands-on learning and development.
