

# Jill Chief Calf

*Non-academic  
Representative*

---

Oki, I am Aakohpoisskiiakii (Face Painted Many Times Woman) or also known as Jill Chief Calf. I am from Kainaiwa (Blood Reserve). I always say that I am blessed with my parents showing me the values and beliefs of who I am as a Niisitapi (Real People) they are my foundation as I walk through both worlds (Indigenous and non-Indigenous).

Life is simple as I enjoy my home out in saokioowohtsi (prairies) where we have recently started building up CEW Estates to welcome horses. My husband and I currently have 3 horses and 3 dogs that keep our country life fun and exciting.

I am an alumni of Uleth as I received my BA in 2012 and then completed a Social Work degree at UofC. I came to the University of Lethbridge as an employee in Fall 2021 as part of the team that was hired for Mastercard EleV Project which is a partnership between UofL, Blackfoot Confederacy and EleV to provide education and employment opportunities for Blackfoot youth.

Very excited and honoured for this wonderful opportunity to sit on EDI Advisory Council and to provide my contributions.
