

Spencer Simkin

*Non-academic
Representative*

My name is Spencer Simkin, I grew up just outside of Calgary and have spent my whole life living here in Alberta. I moved to Lethbridge in 2010 to attend the U of L and I graduated with a bachelor's of music majoring in Digital Audio Arts in 2016. During my time at the U of L I also swam for our varsity swim team and coached for the club team LASC. I joined the U of L as staff in the summer of 2017 as a student recruitment officer for the Edmonton and Northern Alberta region. During COVID I relocated to Calgary with my fiancé and transitioned into my current role as one of the Calgary Campus Academic Advisors and Program Coordinator for the Health Services Management graduate program. I am excited to be apart of this team and hope that we can make some serious impactful changes for all of our students. When I am not at work you can find me in the mountains, hiking, SUP'ing, running and back country camping.
