

Tiffany Morin

Academic Representative

Tiffany Morin (she/her) is an instructor in the Faculty of Health Sciences in the Therapeutic Recreation program. She is a member of the Metis Nation of Alberta and has roots in Treaty Six Territory. Tiffany completed her undergraduate and master's degree at the University of Calgary and completed her thesis research in collaboration with young stroke survivors in the Calgary area. In the field of therapeutic recreation, Tiffany has practiced around the world and has 24+ years of experience working with a variety of populations, including older adults, folks with mental illness, and most recently in the field of neuro rehabilitation. In her free time, you will find Tiffany in the mountains, advocating at a national level for people living with ovarian cancer, beading, cooking, supporting Indigenous health research, and travelling locally and globally. She is looking forward to being a part of the EDI work being done at ULeth. Hiy hiy.
