

Re: Proof of Provincial Attestation Letter (PAL) exception

Dear Officer,

I am a current study permit holder continuing my post-secondary studies at the University of Lethbridge and need to extend my study permit. I have included a Verification of Enrolment Letter from the University of Lethbridge as proof of my enrolment for this application.

Since I am applying to extend my study permit to continue my studies at the same level of study and the same Designated Learning Institution (DLI), I qualify for a PAL exception listed on the IRCC website.

Please see a screenshot of the IRCC exception list below:

- You've entered Canada **and** one of the following situations applies to you:
 - You're applying for a study permit extension at the same DLI **and** level of study as your current study permit.
