

## To access FactSet via the web (FactSet Connect):

- You will need your @factset.net ID which will be emailed to you in an email titled "Welcome to FactSet Launch"
- + Open your web browser and navigate to <a href="https://launch.factset.com/">https://launch.factset.com/</a>
- Enter your @factset.net ID and click the First Time User link. A passcode will be emailed to your university email address.
- You will then be prompted to enter the passcode, as well as set your password to anything you'd like within the specified limitations.
- + Once logged in, click on FactSet Connect then the Launch link
- You will need to install the Citrix Client, click the appropriate link to download. Click the instructions link for further information.

<b>FACTSET LAUNCH</b>
