

PARKING LOT REDEVELOPMENT: Where do I park now?

EFFECTIVE SEPTEMBER 1ST, 2012

Once renovations are complete, the University of Lethbridge's western parking lots will enhance pedestrian safety, create more organized parking and provide visually pleasing green spaces.

PHASE 1: to be completed by August 2012

- New entranceway into Lot E
- Repaving lots along Anderson Hall
- Concrete curbing and sidewalks
- New lamp posts and car plug-ins
- Landscaping, storm water management and drainage

PHASE 2: to be completed by August 2013

- Repaving of lots E and G
- Landscaping, trees, storm water management and drainage
- Windbreaks
- Concrete curbing and sidewalks, new lamp posts
