Bachelor of Arts / Bachelor of Education

Art / Art Education

As an Education major, a student develops a strong knowledge base in the subject area they intend to teach. They also receive in-depth preparation in how to teach, including both general and subject area instructional methods.

Students are provided with thorough training in Art with a selection of courses in Art studio, Art History and Museum Studies. The flexibility of the Bachelor of Arts will allow students to gain a diversified set of qualifications which will better meet the needs of multi-subject teaching common in elementary schools.
