English / English Language Arts Education

As an Education major, a student develops a strong knowledge base in the subject area they intend to teach. They also receive in-depth preparation in how to teach, including both general and subject area instructional methods.

As an English major, your study of language and literature will lead to a better understanding of our world. You'll explore the properties and power of language through courses in the three genres of poetry, drama and prose from the British, American and Canadian traditions.
