Bachelor of Business Administration as a Second Degree

Computer Science

Computer science is a science that has revolutionized the world and advances are being made constantly. Computer science spans theory and practice, and requires you to think and problem solve in abstract and concrete terms. As a computer science major you will get a broad technical knowledge that will allow you to tackle difficult problems using a variety of hardware, software and programming languages, as well as learn to communicate your expertise to others. Among the areas you'll study are programming, digital systems, database management systems, data structures and computer architecture.

What determines my program requirements?

Please refer to the Academic Calendar (www.ulethbridge.ca/ross/academic-calendar) for complete program information.

Calendar Year: 2025/2026 - Your calendar year is set to the academic year you are admitted (or readmitted) and you should follow the requirements for that year for the duration of your program.

General Requirements

Students must meet the academic standards, program requirements, and graduation requirements according to the regulations set by the Dhillon School of Business, and as outlined in the Calendar including, but not limited to:

_____ A minimum grade of 'C-' is required in all Dhillon School of Business courses (ACCT, AGEM, FINC, GLBU, HRLR, IGBM, MGT, and MKTG) and courses cross-listed with Dhillon School of Business courses; Economics 1010; Economics 1012; Statistics 1770; Writing 1000 or English 1900; and all courses in the major marked with an asterisk (*) in order to meet degree requirements.

_____ Successful completion of 15-25 courses (45.0-75.0 credit hours) with a cumulative and graduation grade point average (GPA) of at least 2.00. To determine graduation grade point averages, see **Dhillon School of Business, Graduation** in the 2025/2026 University of Lethbridge Calendar, www.ulethbridge.ca/ross/academic-calendar.

1. Courses completed as part of a first degree may be used to waive course requirements in the B.B.A. as a Second Degree, if they have been evaluated as a transfer equivalent (see www.uleth.ca/ross/ted). It is recommended that students submit course outlines for evaluation as soon as they have accepted their offer of admission, and no later than the last day of the student's first term. Please refer to the Academic Schedule to determine the last day of the term. For information on having courses evaluated, please refer to the Courses Not Previously Assessed section at www.ulethbridge.ca/ross/admissions/undergrad/transfer-credit.

Students who change majors may submit course outlines specific to courses in the new major for evaluation no later than the last day of the term the new program is in effect.

Students must continue to meet residency requirements after course waivers.

_____ All degree requirements must be completed within 10 years after acceptance into the Dhillon School of Business.

_____ Residence Requirement: Students must successfully complete at least 15 courses at the University of Lethbridge, including 10 Dhillon School of Business courses at the 3000/4000 level. Computer Science majors can use 3000 or 4000-level Computer Science courses to meet the Dhillon School of Business 3000/4000 level residence requirement.
